

### 3A Tammy Ngai

#### Happy festival

Dear May,

Thank you for your postcard. My favourite festival is Chinese New Year. It is in January. My mother makes dumplings with me. We all like dumplings. We also like rice cakes and sweet ball soup. They are yummy. We watch lion dance in the park. The lions' colours are golden and red. I get red packets from my family. I like Chinese New Year.

See you soon.

Yours,

Pam
