Father's Day

Today is Father's Day. I go shopping with my mother. I am happy that my mother give me a balloon.

First, we go to the supermarket. We buy some bottles of oil and some yummy fruits. They are one hundred dollars in total. I buy a lot of oil because it is cheap.

Then, we go to the clothes shop. We buy colourful T-shirts. It is one hundred dollars for one. It is very expensive.

Next, we go to the book shop.

We want to buy some interesting storybooks. But we have a coupon, so we can get a free interesting storybook.

At the end, we go home, give the presents to father and celebrate Father's Day with our father. We all feel very happy. I go to bed late because we celebrate Father's Day for a long time. On the next day, I get up late and late for school. Although I regret that I go to bed late, we all have a wonderful day.
