

17 Dec Food Tasting Day at school

Last Tuesday was our Food Tasting Day at school. My teachers, classmates and I tried a lot of food there.

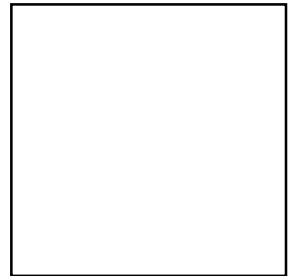

I had fish balls, candies and potato chips. The fish balls were the best because they were spicy. The candies were the worst because they were too sweet.

I also had water, cola and lemonade. Cola was the best because it was sweet. Lemonade was the worst because it was too sour.

It was a fun and happy day! I enjoyed the food tasting very much!
