What are your hobbies?

I enjoy dancing.

I seldom dance in the dancing room. I seldom dance by myself.

I feel great when I dance. I enjoy dancing because I love dancing.

My friends and I enjoy playing hide-and-seek. We seldom play hide-and seek at the park. I usually play this with my friends.

I feel excited when I play it. I enjoy playing hide-and-seek because it is exciting. I love it!
