Jenny and Betty

There was a Maths test at school yesterday. Jenny and Betty got their Math marks. Jenny got good marks. Betty got low marks. Jenny laughed at Betty and Betty felt sad.

At recess, Jenny fell down and shouted, "It's hurt!"

Betty found out that Jenny was hurt badly. Betty took Jenny to the medical room and looked after her. Jenny felt sorry for being rude to Betty and she said sorry to Betty.

"It's okay, Jenny. I was not mad at you" Betty said.

They became friends forever.
