Sunny

This morning, I went to the market. A thief stole a girl's bag. She felt scared. "Oh no!" I said. I saw a man an after the thief then caught him. The thief returned the girl's bag and said sorry. The girl said, "Thank you very much!" to Mighty Spiky.

After that, I said to Mighty Spiky, "You are my hero! Can I take a photo with you?" Mighty Spiky said he could! I felt very happy!
