Jenny and Betty

Jenny and Betty were in Class 2A. Jenny was good at Maths. She got one hundred marks in the exam. Betty was not good at Maths. She got low marks in the exam, so Jenny laughed at Betty.

At recess, Jenny fell down and was hurt. Betty found her and looked after her. Betty brought Jenny to the medical room and looked after her. Then, Jenny said, "Sorry for being rude before."

Betty replied, "Its okay. Let's be friends."

After that, Jenny treated Betty very nicely.
