Windy

I saw a thief in the market this morning. The thief stole the woman's bag.

Suddenly, a man called Mighty Spiky came and caught the thief. I was afraid. I called the police and followed Mighty Spiky.

Mighty Spiky was brave, fast, nice and strong. He just used fifty seconds to catch the thief in a subway.

In the end, the thief was in the jail because the police came here too fast. I returned the handbag to the woman. We took a rest in the hotel with a cup of coffee.

Mighty Spiky is very strong. I feel very excited and Mighty Spiky is my superhero.
