Sunny

This morning, I went to the market with my mom. A thief stole my mom's bag. Mighty Spiky ran after the thief. The thief was afraid, because Mighty Spiky said, "Hey you! Stop there, give back the bag to that lady or I will take you to the police station!" However, the thief was still running! So Mighty Spiky ran faster then caught the thief. After that, Mighty Spiky took the thief to the police station and gave the bag to my mom.

I feel so happy today because I saw Mighty Spiky this morning.
