Goldilocks' Unlucky Day

Today was a sunny day. Goldilocks went to the three bears' house in the morning. After she entered the house, she found that there was no one in the house.

After two hours, she felt hungry. So she wanted to bake cookies in the kitchen. But she failed. She felt so sad.

She felt that she spoiled the three bears' house. She decided to tidy up the house. When she was tidying up the living room, the three bears came back and they found the living room was very messy. They felt so angry. Goldilocks asked "Can you forgive me?" Then the three bears forgave her. Finally, she tidied up the three bears' house. They said thank you to Goldilocks.
