## Goldilocks and the Three Happy Bears

One sunny day, Goldilocks went to the three bears' house. She felt so hungry. No one was in there, so she went in. After she went in, she saw a big table and three chairs.

There were three bowls of porridge on the table. Goldilocks tried the first bowl of porridge and said "This bowl of porridge is too hot," She said, "This bowl of porridge is too cold," she was trying the third bowl of porridge and said "This bowl of porridge is just right," she started to eat. However, Goldilocks still felt hungry after eating the porridge, so she went to the kitchen.

Goldilocks walked into the kitchen, she planned to make cakes with the ingredients available in the kitchen, but she didn't know how to do it. Suddenly, a book hit her head. Goldilocks picked it up and looked at it. It turned out to be a recipe. Then, she followed the steps in the recipe to make the cakes. Goldilocks failed at the first time. She kept trying but she still failed. She tried for the third time and finally succeeded. When

Goldilocks was about to eat, she found that she messed up the kitchen, so Goldilocks had to wait for the three bears to come home and apologize to them.

The three bears came back, Goldilocks apologized to them immediately. Daddy Bear thought for a while and accepted her apology, but he asked Goldilocks to clean up with them. Goldilocks agreed. After they cleaned up, Goldilocks went home. They were all very happy.
