Yesterday, Macy went to a restaurant with her mom. Macy's mom said, 'what would you like to eat?' Macy said, 'I would like the Buffalo wings.'

'The Buffalo wings are very spicy,' said Mom. She was worried the dish would be too spicy for Macy. However, Macy told her mom, 'I would like to try some spicy food.'

A few minutes later, the Buffalo wings arrived. Macy tried the dish. 'Oh no! It is too hot!' said Macy. Mom looked at her and asked, 'Are you alright? Do you want another starter?'

At last, Mom ordered some fruit salad for Macy. They took the Buffalo wings home for Dad, because he loved spicy food.
