Yesterday, Macy went to the Western Restaurant with her mom. 'Macy, which starter would you prefer?' asked Macy's mom. I would prefer the Buffalo wings to the garden salad,' answered Macy.

But Macy's mom was worried, 'the Buffalo wings are very spicy, I don't think you can handle it,' said Macy's mom. 'I would like to try it because I like spicy food,' answered Macy.

The Buffalo wings and the garden salad arrived first. Macy felt excited. The garden salad was fresh but the Buffalo wings were too spicy and hot. Macy and her mom felt unhappy.

Later, Macy's mom called the waiter to warn the chef that he put too much spicy seasonings into the Buffalo wings. After that, Macy's mom ordered a milk for Macy to make her feel better. After they left the restaurant, they will never go back there again.
